U44 OUTDOOR FIREPLACE

Urbana Luxury Fireplaces has created an exciting new product that will make your backyard the envy of the neighborhood. Not satisfied with the typical designs present in the marketplace, we've taken the majesty of our large luxury fireplace and brought it outside with a focus on ease of maintenance, excellent performance, and stunning visual appeal. The new U44 Outdoor Gas Fireplace is the perfect centerpiece for the patio of your dreams.

EASY INSTALLATION

The U44 Outdoor has no venting requirements.

OPTIONAL SAFETY SCREEN

An optional safety screen will help keep debris from entering the firebox.

HASSLE FREE OPERATION

The U44 is turned on via a wall switch for fast and easy operation. Simply turn it on and enjoy.

NO GLASS REQUIRED

The U44 Outdoor Fireplace operates without the need of a glass door giving an unobstructed view of the flame presentation.

THE HALO

GAS FIRE PIT

Make your backyard the envy of the neighborhood with a Halo Gas Fire Pit. Available in four distinct configurations to match a wide variety of backyard styles. The soft glow of the LED ring helps set the mood without distracting from the impressive flame. The exclusive SPYDER burner design uses 170,000 BTU'S to create an organic burn pattern that delights the senses and looks great with or without the high definition log set. These fire pits are designed & built in North America to withstand the harsh elements of the outdoors so they can be ready to perform when you are.

40" w/Wind Guard

HALO ROUND

The Halo Gas Fire Pit - Round is the inaugural model of the Halo line up. It's round stainless steel construction and captivating LED ring light are sure to make your backyard the envy of the neighborhood. Combine with our optional HD log set to create an authentic burn presentation or choose from glass or lava rock for a more modern appearance.

47" Diameter

40" Diameter

HALO LINEAR

The Halo Gas Fire Pit Linear edition has been designed with a linear patio layout front of mind. The clean modern appearance of this fire pit accents perfectly with most outdoor furniture sets. Perfect for aligning with patio sofas and outdoor dinner tables. It's low and slim profile allow it to be both subtle and impressive.

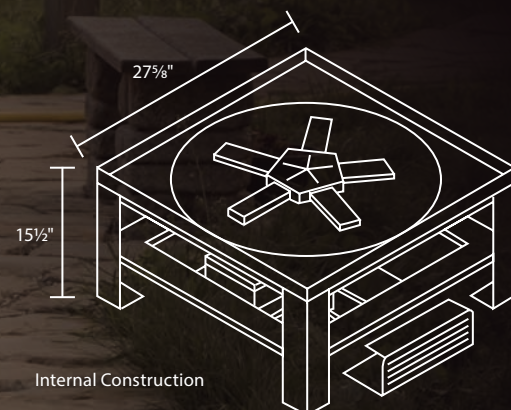

Glass Wind Guard

HALO BRICK

The Halo Gas Fire Pit Brick edition features a modular design that lets you add the incredible capabilities of a Halo Gas Fire Pit into your own construction. Simply build around the inserted fire pit with your own flame resistant materials or take advantage of our optional "Brick Kit"

Internal Construction

HALO CONCRETE

The Halo Gas Fire Pit Concrete straddles the line between classic and modern. It builds on the aesthetic strengths of our original Halo design and turns up the quality with a detailed natural grey concrete finish. Add a touch of class to your backyard composition with this beautifully designed fire pit.

Natural Grey Concrete Finish
